Paradise Rescued Series Book 1
From Cabbage Patch to Cabernet Franc
David Stannard

Paradise Rescued is David's personal wine story of how his tiny former cabbage patch was transformed into an award-winning international success – in many ways beating the French at their own game.

Above all, this is a story about how a small village in Bordeaux came together to create something truly unique. A wine story best enjoyed while sipping a delicious glass of red wine overlooking the grapes of France – this book will transport you there.
